PINOT NOIR 2015

NAMED ONE OF 20

"BEST RED WINES UNDER $20"

"How is it possible to make a CA Pinot this good at this price? This baby looks like a Pinot, smells like a Pinot and tastes like a Pinot should–there's the bright acidity of tart red cherries, hints of warmer, darker fruits, a footprint as light as a spider's and totally devoid of oak overkill. **My guess in a blind tasting: a $40 Willamette Valley or Anderson Valley Pinot."**
