

Alverdi

Pinot Grigio

Created by the Opici family, Alverdi wines are fresh expressions of today's most popular Italian varietals. Suited for any occasion, the wines embody the esteemed traditions of Italian winemaking and those of Opici Wines. The Opici family partnered with reputable Italian producers with storied pasts in winemaking to create wines of high quality at an excellent value.

Varietal(s):

100% Pinot Grigio

Vineyards:

Cultivated from Italy's premier sites for the varietal. In early September, the grapes are harvested by machine to expedite the process and ensure the freshest fruit reaches the cellar.

Winemaking:

Vinified entirely in stainless steel to preserve the integrity of the fruit and maintain the naturally fresh characteristics of the varietal. The process takes 10-12 days at a controlled low temperature of 15-17°C. The wine is filtered and fined prior to bottling and released soon after completing vinification.

Tasting Notes:

Marked by a fresh, floral bouquet with notes of acacia flowers, this dry white wine is well-balanced with lively white fruit flavors. Enjoy young for maximum flavor expression.
