

**CESARI**

**RECITO**  
*della Daphnolicella*  
Denominazione di Origine Controllata  
**CLASSICO**

A generous wine with a red intense purple colour. On the palate it shows all its smoothness, due to the high sugar content, along with a powerful structure and well balanced, sweet tannins. Because of its round velvety taste it is particularly suitable for desserts and it is also an excellent partner to chocolate.
