

# Fattoria di Magliano

## Illario Rosato

100% Organic Sangiovese

Illario is an expressive rosé produced from Tuscany's signature varietal, Sangiovese, named in honor of the winery owner's father, whose middle name was Illario. Starting with the 2016 vintage, this wine is crafted using exclusively certified organic, single-vineyard grapes.

### Tasting Notes:

Loaded with personality and sheer character. It is an excellent choice for those who appreciate a bolder style of rose. Layers of fruit blossom from the glass as this rich, expansive wine opens up. Aromas and flavors of sweet red cherries and tart raspberries, with notes of violets and herbs. Can be enjoyed as an aperitif, but it also has more than enough body to accompany a wide range of foods.

### Vineyards:

Region:	Tuscany, Italy
Vineyard Name:	Illario
Average Vine Age:	15-20 years
Soil Composition:	Primarily limestone, with some Kimmeridgian clay and flint deposits.
Training Method:	Simple Guyot
Planting Density:	6,500 vines/hectare
Elevation:	250 meters
Exposure:	Eastern & Western
Practices:	Fully sustainable + certified organic

### Winemaking:

Harvest:	Manually-harvested throughout August as different vineyards achieve optimal ripeness.
Fermentation	After gentle pressing of newly harvested grapes, the wine is left on the skins to macerate for 24 hours before transfer to stainless steel tanks where a traditional cold fermentation occurs. The wine rests on its fine lees in tank for over 3 months before bottling and release.

### Technical Data:

Alcohol:	12.5%
pH:	3.29
Acidity:	6.6 grams/liter
Residual Sugar:	3.0 grams/liter

### Production:

Total:	1,200 cases
Imported:	500 cases
