

Opici Family Sangria

Red

In accordance with Spanish legislation and, more importantly, tradition, Opici Sangria is made using the long-established, classic recipe.

Tasting Notes:

Sangria is a traditional Spanish drink typically enjoyed during times of celebration. It offers an intense expression of citrus fruit flavors. It is sweet, yet refreshing on the palate with a hint of cinnamon. Enjoy chilled, either on its own or add your favorite fruit for added flavor.

Winemaking:

Approximately 65% red wine produced in La Mancha - the oldest wine-producing region in the country - is combined with 30% purified spring water, 5% pure cane sugar, and a touch of citrus fruit extract (approximately 0.1%) made in Valencia - home of the best oranges and lemons in Spain. The ingredients are mixed in stainless steel tanks with stirring arms. The blend is then filtered before bottling.
